The Class of 1953 heartily dedicates this annual to Mr. Sanders, for without him its completion would not have been possible.
Not only has he helped us this year but last year he worked very hard to make the Prom a success.
Thanks, Mr. Sanders. The class of '53 will always remember you as a "swell guy."

Seated on floor: Dale Crowder, Joe Weaver.

Middle row: Don Harshman, Cloyd Spear, Student Manager, Roddy Rodkey; Bob Smith, Coach, Norm Ebrite; Ronnie Richardson, Ron Harshman.

Last row: Bob Landis, Tom Smith, Tillman Abbott, Tom Crosby, Marion Wingard, Dick Hawn, Bob Moore.

VARSITY BASKETBALL

The 1952-53 version of the D.H.S. basketball team ended the season with a 11 won 12 lost record, which isn't bad considering the tough schedule that the Oracles played.

Tillman Abbott, Senior forward, was able to play only 6 varsity games due to a shoulder injury.

Winning the Monticello Invitational Tourney and going to the final game of the Sectional were some of the highlights for Norm Ebrite's boys.

The team was composed mostly of Seniors with the "first five" consisting of Tom Crosby, Ron Harshman, Don Harshman, Marion Wingard, and Joe Weaver. Whenever the "first five" needed a helping hand Dale Crowder, Tom Smith, Dick Hawn, Ronnie Richardson, and Cloyd Spear were always ready to help out.

Susan Roach, Mary Crosby, Faye Hitchcock, and Joyce Lamb did an outstanding job as yell leaders.

N. F. L.

The Delphi Speech Club went National in 1953. Delphi was the first school in the United States to be chartered in the current school year and since only 600 schools can belong to N.F.L., it is an honor that Delphi was selected to take the place of a school that lost its charter.

The members work in all types of public speaking, oratory, extemperaneous, interpretations, radio and debate. They traveled to many parts of the state for contests and gave many programs for local organizations. The club always returned with winners and the members have ribbons, certificates, medals and trophies to show for their work.

Most of the work was done in the evenings after dinner but since everyone just loves to get up early on Saturday mornings, a few sessions were held then.
